Professional Summary

Web developer and graphic designer with experience in WordPress, React, responsive UI implementation, website maintenance, and visual asset creation. Strong in Figma-to-code work, reusable templates, UI cleanup, and practical support work that helps teams launch and maintain websites.

Professional Experience

Frontend Web Developer / Graphic Designer

01/2026 – Present

Tech Support Plus I.T Services

- Maintain 8 active websites across 5 company sites and 3 client sites, plus support periodic updates for 8 additional company websites.
- Support migration of 4 websites to cleaner Elementor builds by introducing reusable styling patterns, global variables, and more maintainable page structures.
- Build custom WordPress themes, templates, and branded page sections while improving admin-side editing workflows for internal teams.
- Improve site upkeep through spam prevention, security cleanup, visual standardization, and deployment support using cPanel and Hostinger.

Web Developer

04/2025 – 12/2025

ABCDE Creative Studio

- Built at least 5 responsive pages from Figma mockups using React, HTML, CSS, JS, and TypeScript.
- Contributed to 3 web projects, including development work for the studio's main website.
- Applied accessibility-minded frontend practices and reusable UI patterns to make projects easier to use and maintain.
- Supported delivery workflows through GitHub Actions, Vitest, and Cloudflare-connected deployment processes.

Print Machine Operator / Graphic Designer

01/2024 – 10/2024

Young Alpha Advertising Corp.

- Supported print production for a fast-paced 7-person team handling signage, food truck visuals, and business materials.
- Improved workflows through RIP setup, color calibration, cutting-process cleanup, and production troubleshooting across 2 large-format machines, 2 cutting machines, and 5 workstations.
- Created reusable templates, adjusted prep processes, and resolved hardware and software issues to reduce repeat revisions and keep production moving.

Social Media Designer

01/2023 – 07/2024

But First, Coffee (Multiple Branches)

- Designed weekly social media graphics and branded marketing assets for 3 branches.
- Produced promotional assets for recurring campaigns and seasonal pushes including Christmas, New Year, Chinese New Year, and Valentine's promotions.
- Worked with stakeholders to refine campaign materials and maintain visual consistency across recurring promotional content.
